

# Getting More Value Out Of Life - It's A Way Of Life At Hidden Hills

If you're looking to get more value out of life for yourself and your family, then Hidden Hills is what you're looking for.

Although Hidden Hills features custom designed, expertly crafted homes priced from the high \$60's, its true value is more than quality homes. It's enjoying a morning tennis match on one of 10 tennis courts or shooting a round of golf on Hidden Hills championship course.

It's relaxing in the lounge beside a warm fire or conversing with guests over a leisurely meal at the clubhouse. It's sunbathing in the

summer sun while your children romp in the pool. It's knowing that your children are attending the best schools in Georgia which are within walking distance from your home. It's the convenience of having shopping nearby and the airport and downtown only 30 minutes away.

If you're looking to get more value out of life, then Hidden Hills is what you're looking for.
